The red beretta, borne upon a silver tray, will then be presented to Cardinal Gibbons by the noble guard, who will deposit it upon the sitar, and make a short address in Latin, which he will conclude by Inviting Cardinal Satolil to approach. The latter will be escorted from his throne by his attendant priest and deacons of honor. Cardinal Gibbons will next take the beretta from the altar and place it upon Cardinal Satolif's head, as the latter kneels before him. Cardinal Satolii will then rise, raise the beretta from his head, ascend the steps of the altar and make an address in Latin to Cardinal Gibbons as the Pope's representative. At the conclusion of this, while the choir intones the "Te Deum," Cardinal Satolii will retire to the sacristy and exchange the purple vest.

After the exchange of cordial greetings at the station, the distinguished visitors entered carriages and were driven to the seminary. Here they were presented to Archbishop Chappelle, of Santa Fe, who arrived last night, and to Archbishop Begin, of Quebec; Bishops Cotter, of Winona, Minn.; De Grosbriand, of Burlington, Vt., Dunne, of Dallas, Tex, McGolrick, of Dulath, Minn., and Mass, of Covington, Ky, who arrived in the course of the afternoon. Arrangements were made at the seminary to-day to entertain all the visiting prelates at dilner at the conclusion of the ceremonies at the Cathedral to-morrow. The large refectory of the institution, which has often been the scene of similar gatherings, will be taxed to its utmost, for it will never have within its walls a larger or more distinguished assemblage of ecclesiastics.

Mr. J. C. Nelson, editor and proprietor of the Bath County World, published at Sharpsburg, Ky., writes under date of June 18, 1895: "I have recently commenced using the Tabules for constipation. Mrs. W. T. Duckworth, of Thomson, Clark County. Kentucky, who is visiting here, has tried Ripans Tabules and found them a good thing. She used to suffer greatly with headache, due, no doubt, to indigestion and constipation, and tried every kind of remedy, but could find no relief until she began using Ripans Tabules. The first Tabule gave relief and now headache is a stranger. The indigestion and constipation disappeared and she never felt better in her the best medicine in the world for the above disorders and never intends to be without them again.
